

ACTIVITY. SOCIAL MEDIA

TOOLS. We use the website of a relevant Spanish organization PANTALLAS AMIGAS (FRIENDLY SCREENS) www.pantallasamigas.net

PANTALLAS AMIGAS has been working for 10 years for digital citizenship and the rights of children and adolescents. It has the recognition of many agents (institutions, parents, children). Its aim is to promote a safe and healthy use of CIT and encourage a responsible digital citizenship of children and adolescents.

PANTALLAS AMIGAS offers many resources that can be used by teachers with the students, even it has its own channel in Youtube

In this activity a series of informative videos are used. These videos are clear and short and although they are in Spanish, they are very intuitive and can be understood by almost everybody. They can be a good resource for students learning Spanish of course!

OBJECTIVE. The main aim of this activity is students to be aware of the importance of doing a responsible use of personal data and uploaded information.

AIMED AT. 2nd – 3th – 4th year of Secondary students.

SUBJECT. Technologies, CIT.

TIME. One lesson of 50'.
